

InorderTraversal::postfix  
\_to\_parse\_tree

```
graph RL; main[main] --> InorderTraversal[InorderTraversal::postfix_to_parse_tree];
```

The diagram illustrates a function call. A white rectangular box on the right contains the text 'main'. A dark blue arrow points from this box to the right side of a larger, light gray rectangular box on the left. The gray box contains the text 'InorderTraversal::postfix\_to\_parse\_tree'.
